

# I'm Not Satisfied

The Mothers of Invention

Yeah!

Got no place to go

I'm tired of walking up and down the street all by myself

No love left for me to give

I try and try but no-one wants me the way I am

Why should I pretend I like

To roam from door to door

Maybe I'll just kill myself

I just don't care no more

Because I'm not satisfied

Everything I tried

I don't like the way

Life has been abusing me

Yeah! Yeah!

Who would care if I was gone?

I never met no-one who'd care if I was dead and gone

Who needs me to care for them?

Nobody needs me, why should I just hang around?

Why should I just sit and watch

While the others smile?

I just wish that someone cared

If I was happy for a while

Because I'm not satisfied

Everything I tried

I don't like the way

Life has been abusing me

Yeah!
