

Louie Louie (at The Royal Albert Hall In London)

The Mothers of Invention

Ah! I know the perfect thing to accompany this man's trumpet. N
one other than . . . The Mighty & Majestic Albert Hall Pipe Org
an!

Guy In The Audience: Right!

You understand that you won't be able to hear the organ once we
turn the amplifiers up

Awright, Don?

Whip it on 'em!

"Louie Louie"! They like it loud too, you know?

Let's hear again for the London Philharmonic Orchestra!
