### The Mothers of Invention

La la la la la la  
La la la la la la  
La la la la la la  
La la la la la la

Although you don't want me no more  
Oh, but it's alright, alright with me  
'Cause you know, you're gonna want me some day  
Yes, you will want me, and I'll run away

Oh, Valarie  
(Valarie)  
Valarie  
(Valarie)  
Valarie  
Don't you want me?  
Don't you need me?

Valarie  
Valarie  
Valarie  
Valarie

Although you don't want me no more  
Oh, but it's alright, it's alright with me  
'Cause you know, you're gonna want me some day  
Oh, you will want me, and I'll run away

Oh, Valarie  
Valarie
