

Why Don'tcha Do Me Right

The Mothers of Invention

Why don'tcha do me right?
Why don'tcha do me right?
Why don'tcha do me right?
You got me pulled up tight
Why don'tcha do me right?

You got me beggin' on my knees
You got me beggin' on my knees
You got me beggin' on my knees
Say-in' baby please
Come back to me

You're tryin' to wreck my life
I know you're tryin' to wreck my life
I know you're tryin' to wreck my life
And all I wanted was a wife
I know you're tryin' to wreck my life

Now what you tryin' to do?
Now what you tryin' to do?
Now what you tryin' to do?
I been true to you
Now what you tryin' to do?

Why don'tcha do me right?
Why don'tcha do me right?
Why don'tcha do me right?
You got me pulled up tight
Why don'tcha do me right?

(But baby, I think I love you
But baby, I think I love you)

Why don'tcha do me right?
Why don'tcha do me right?
Why don'tcha do me right?
I wanna boogie yah all night
Why don'tcha do me right?
