The Mountain Goats

I was sitting in the street when the news came my way (2x) Good news (4x)

I was sitting in the street when the messenger came by I was sitting in the street when the messenger came my way Good news, good news like a rare blood disorder Good news (2x)

I was sitting in the street

I don't believe I've made it clear what exactly I mean by that

I was sitting in the middle of the street

Dust made it's way into my legs even though my shirt was tucked in

And I saw the colors forming in the west Saw the bright feathers reflected in the sky, now Good news (4x)
