

## Orange Ball of Peace

### The Mountain Goats

they wanted me to be a lawyer.  
they wanted me to work in a machine shop.  
they wanted me to be a designer,  
but I came out on top.  
I'm a fire-man.  
I'm a fire-man.

stand and watch the smoke.  
see the flames rise to the sky.  
I stand and watch the flames climb higher.  
I feel the smoke get in my eyes.  
I'm a fire-man.  
I'm a fire-man.
