

Pure Intentions

The Mountain Goats

You're a strong one, you're a lion
You're brave, death defyin'
You're in your car, crossing town.
And i can feel you, coming down.

You're so pretty, i could burst
And i wonder, who's gonna talk first
My muscles all shaking, and blood's turned to foam
It's tuesday, and you're coming home.
Yeah!
