### The Mountain Goats

"...lofi, we hebben het voortaan maar over eh.. bifi, dat lijkt me maar het beste."

("...lofi, from now on we'll talk about ehm.. bifi, I think that's better.")

Waves crashed all around and near your body  
The waves came all over you  
And I saw the sky reflected on the ocean  
Deadly blue

Yeah

(I used to know you) (4x)
