

The Admonishing Song

The Mountain Goats

tell me why.
tell me why.
tell me why you lied.
that was not a nice thing to do.
not a nice thing to do.
it wasn't very nice of you.
not a nice thing to do.

tell me why.
tell me why.
tell me why when you got caught in it you told the same
lie.
that was not a nice thing to do.
not a nice thing to do.
it wasn't very nice of you.
not a nice thing to do.

tell me why.
tell me why.
tell me why you made threats against the life of the
prime minister of canada.
that was not a nice thing to do.
not a nice thing to do.
it wasn't very nice of you.
not a nice thing to do.
