

## The Recognition Scene

### The Mountain Goats

We broke the doorknob off the door  
The door swung open easily  
We sauntered into the poorly-lit store  
And looked around lazily

We stole every bit of candy they had inside  
Gobbled it all up greedily on our three month ride  
I'm gonna miss you when you're gone  
I'm gonna miss you when you're gone

You headed out to the getaway car  
And hit the open road  
I saw something written in tall, clear letters on your face  
But I could not break the code

We had hot caramel sticking to our teeth  
And the only love I've ever known burning underneath  
I'm gonna miss you when you're gone  
I'm gonna miss you when you're gone

I'm gonna miss you when you're gone  
I'm gonna miss you when you're gone
