

## We Have Seen the Enemy

### The Mountain Goats

Everything I've told you was true  
So imagine my surprise when I blink my eyes  
And realize that I've been talking to you  
And I've told you everything  
Even the parts I'd meant to leave out  
And I shake my hair, and I look about

And the wild dogs are hungry  
And the wild dogs howl  
And the wild dogs in the mountains to the north of us  
Come down
