

Wrong!

The Mountain Goats

you know. you know.
you see what's going on with me.
but you don't do anything.
you don't do anything.
you don't do anything.

you feel. you feel.
and you hear.
the time's near.
but you don't do anything.
you don't do anything.
you don't do anything.
you don't do anything.
