

Young Caesar 2000

The Mountain Goats

when I was twelve years old, they put me on the throne
when I was twelve years old, they made me king
from the ocean south of here to the northern hemisphere, they g
ave me everything
now i'm thirteen, and no one takes me seriously
now i'm thirteen, and they're trying to take away control
I don't know how stupid you all think I am
but as sure as flowers grow along the western wall, some heads
are going to roll
yeah
