

Bryant Park Or Bust!

The Movieline

So this is the end!
You and I are gonna have to find some way
To get back to the way things were supposed to be.
Losing faith, I almost let go.
Ask myself, can I win this one?
I don't know.

So this is goodbye,
But I don't believe this is the end.
Good effort, nice try.
Oh god, those words again, passing me by.

Can I sit this one out?
Questions I don't have the answers to.
Who the fuck knows what's going on with me and you?
All this shit we keep putting each other through.
Should I let go? Should I let go?

So this is goodbye,
But I don't believe this is the end.
Good effort, nice try.
Oh god, those words again, passing me by.

Learn to let go, give in, but no, I can't decide.
Learn to let go, give in, but no, I can't decide.

So this is goodbye,
But I don't believe this is the end.
Good effort, nice try.
Oh god, those words again, passing me by.
