

How Can You Even Face Me?

The Movieline

And I hear it every day.
It don't mean anything.
Nothing positive to say.

But you don't know me. (You don't know me!)
The day that we met, you had me all figured out,
Yeah, but you can't see me. (You can't see me!)
You wouldn't know that I feel this in my heart.

And I hear it every day.
It don't mean shit to me.
Nothing positive to say.

But you don't know me. (You don't know me!)
Look at you now. How could you say those words?
Yeah, but you can't see me. (You can't see me!)
Could you look in my eyes?
Yeah, who looks stupid now?

Who can I, who can I look to?
Who can I, who can I turn to?
Who can I, who can I look to?
Who can I, who can I turn to? Who can I look to?
