

I Hope You Die Soon

The Movieline

My friends want me to give them the go (to stomp your head!)
And I hope that somehow by the end of the day (you'll spit some
teeth!)

I'm not a violent guy, but I gotta say (you've got it coming!)
Believe me 'cause I think the same things (about you!)

Every day, every day, I gotta say,
Yeah, that I hope you die soon!
