

## Boredom Zone

### The Mr. T Experience

I live in the boredom zone  
I'm never goin' home  
Everything is sterilized  
Everything is twice my size  
And I wish it was  
And it's all because  
I live in the boredom zone, boredom zone  
I live in the boredom zone, I'm never goin' home  
I live in the boredom zone.  
I'm bouncing off the walls  
I'm making paper dolls  
I'm talking to myself,  
Hoping something will come up  
But it never does  
And it's all because  
I live in the boredom zone, boredom zone  
I live in the boredom zone, I'm never goin' home  
I live in the boredom zone.  
'cause I live in the boredom zone, boredom zone  
I live in the boredom zone, I'm never goin' home  
I live in the boredom zone.  
Boredom zone, boredom zone.
