

Deep Deep Down

The Mr. T Experience

So this is goodbye more or less, and things have changed a lot
I guess.
In such a mess and so out of hand, though I think it went prett
y much as
You planned. It was so hazy till my eyes had cleared, now I can
see
Better but it still looks weird. Is that still you lying there?
Why
Can't I find you anywhere? I still don't understand this episod
e or why
You led us down that road. But I think you knew where it would
lead and
How something would come over me. I still don't know just what
it was. I
Guess nobody every really does know why they do the things they
do. Why
Did I have to follow you? Deep Deep down, where it isn't safe t
o be.
Cause I beat you there, and now they're comin' after me. You al
ways were
An angel in my eyes and now more than ever the term applies. Th
e eyes
Still see what the soul believes and you look so pretty underne
ath the
Leaves. And though we part forever now I feel you'll be with me
somehow.
I believe in God and you know you're still my angel and I love
you so.
Deep deep down, pretty as the scenery. You're lying under it bu
t I feel
You watching over me. Now I've got to tear myself away because
they'll
Just find me if I stay. They wouldn't understand what we'd been
through
Or how I did it all for you. All to show you how I cared. It wa
s the
Last thing we ever shared together and I'll cherish the memory.
And
Carry a piece of you with me. Deep deep down, where I'm not sup
posed to
Be. Cause I buried you there and thow they're coming after me
