

Don't Go Away Go Go Girl

The Mr. T Experience

Don't go away go go girl,
When though you wanna dance.
Don't go away go go girl,
You need to try romance.
Tonight could be the night,
Cause you're looking cute.
Dancing all around
In your white go go boots.
Go go girl!
Don't go away go go girl,
There's nothing I won't do,
To make you mine
Go go girl,
I'll spend my whole life through.
Maybe in a discotheque,
Learnin' every step that's new.
Don't go away go go girl,
Unless you take me with you.
Go go girl!
Tonight could be the night,
Cause you're looking cute.
Dancing all around
In your white go go boots.
Go go girl!
Go go girl!
Don't go away go go girl.
