

Elizabeth Or Fight!

The Mr. T Experience

Elizabeth,
Don't look to me
You can be yourself or find some other way to be
But time won't wait
And even if it does
It's unlikely to go back to how it was
So my advice is to not think twice:
Elizabethorfight

Stick to your guns
It won't be long before
Surrendering won't be an option anymore
So in the end I recommend:
Elizabethorfight

Peace whenever justice will allow
Peace forever
Elizabeth for now

If that means eternally
Fighting for Elizabeth and Liberty
Or the reverse
You could do much worse:
Elizabethorfight.
