

## Go Mental

### The Mr. T Experience

Out of the hospital  
Out against my will  
Life is so beautiful  
I've gone mental  
Mental! Mental!  
I've killed my family  
They thought I was an oddity  
Life is so beautiful  
I am a vegetable  
Mental! Mental!  
I've gone mental  
I've gone mental  
Staring at my goldfish bowl  
Popping phenobarbital  
Life is so beautiful  
I've gone mental  
Mental! Mental!  
Sitting on my window sill  
Life is so beautiful  
I've become irrational  
I've gone mental  
Mental! Mental!  
I've gone mental.
