

## Last Time I Listened To You

The Mr. T Experience

Last time I listened to you  
Well I almost wound up dead  
You said things would get better  
But it hasn't happened yet  
And when I look at your picture  
I can't believe it's true  
So that's the last time I listen to you  
So I'm gonna get trashed  
And I might just get a gun  
Just to show you I'm desperate  
And to keep you hanging on  
You say it would have succeeded  
Without those meddling kids  
But I'm not gonna listen to this  
And I know I got carried away  
And they might have to amputate  
And it's all gonna show  
The day the music choked  
It's gonna be sad  
And you're gonna get upset  
You'll be checkin the papers  
And you'll wonder where I went  
Dialing 900 numbers  
For something new to do  
Cause that's the last time I'll listen to you
