

Love American Style

The Mr. T Experience

You're an anomaly that's a thing without a name you're worming
it out of me
And this worm you cannot change I want to drive you up the wall
I want to
Treat you like a doll I want to write it out in blood I want an
oriental rug on a
Star spangled night my love you can rest your head on my should
er and by the
Dawn's early light my love I will defend your right to cry I wa
nt to be there at
Your trial I want a Love American Style cause I'm a former youn
g american
And I don't know if it's real or re-
run there's something you ought to know
Before you think you understand I'm invisible and I've got a ro
bot friend I want
To tie you to a post I want to make you tea and toast I want to
be there at your
Trial I want a love american style.
