

## Mary Mary

## The Mr. T Experience

Took a lot of time but I realized  
Now it's clear to me Mary you're a freak  
Mary Mary you're a freak  
Don't talk to me  
Mary Mary you're so sick  
I was doing fine, thought I knew your mind  
Now I know I don't and I'm all alone  
Don't look at me  
You're a creep and a freak
