

Send Me A Postcard

The Mr. T Experience

A postcard becomes a symbol of lost romance for two separated lovers.

Adult themes. No nudity.

Before loneliness will break my heart,
Send me a postcard darling.
How can I make you understand?
I want to be a woman.
Here, here I'm waiting for a little sign,
Waiting 'til the end of time.

Send me a postcard darling.
Send me a poscard now.
Send me a postcard darling.
Send me a postcard now.

I can't take the lonely night,
I need someone I can turn to.
Look out the day I see a little sign,
Even though you're on my mind.
Yeah, oh please don't let me down.
There ain't no lover like me in town.

Send me a postcard darling.
Send me a poscard now.
Send me a postcard darling.

Before loneliness will break my heart,
Send me a postcard darling.

I want to be a woman.

Waiting 'til the end of time.
