

She Did Me In

The Mr. T Experience

I met her in the bathroom of some sleazy club
She looked like she was Just My Type; I thought I was in love
If god sent her to punish me for my life of sin
Then he was right on target-because she did me in
She did me in
I didn't think she'd mess with me, I didn't think she'd lie
I thought she wouldn't take it from just any guy
She looked so sweet and innocent, but I found out too late
It turned out she was wanted in 27 states.
