Somebody Wants To Love You

The Mr. T Experience

On your own, far away from home There doesn't seem to be a friend when you're alone People stare, you wonder if they care So, you turn your back on someone with love to spare Try to see, it's gotta be Lovin' one another is the only possibility So, when you're down and losin' ground Don't get to thinkin' love can't be found

Hey, stop, stop! And look around Somebody wants to love you Stop, stop! And turn around Somebody wants to love you Somebody wants to love you

Hey, you! It's nothin' new Love will be around no matter what you do Or will you try every alibi And fool yourself some more then wonder why So try to see, it's gotta be When you turn your back on love, you miss the opportunity And once again, you're at a dead end And nowhere to turn without a friend

Hey, stop, stop! And look around Somebody wants to love you Stop, stop! And turn around Somebody wants to love you Somebody wants to love you
