

## Speed Racer

## The Mr. T Experience

Here he comes  
Here comes Speed Racer  
He's a demon on wheels  
He's a demon

And he's gonna be chasin' after someone  
He's gainin' on you  
So you better look alive  
He's busy revvin' up  
A powerful Mach 5

And when the odds are against him  
And there's dangerous work to do  
You bet your life  
Speed Racer will see it through

Go Speed Racer  
Go Speed Racer  
Go Speed Racer, go!

He's off and flyin'  
As he guns the car around the track  
He's jammin' down the pedal  
Like he's never comin' back  
Adventure's waitin' just ahead

Go Speed Racer  
Go Speed Racer  
Go Speed Racer, go!
