

Speed Racer

The Mr. T Experience

Here he comes
Here comes Speed Racer
He's a demon on wheels
He's a demon

And he's gonna be chasin' after someone
He's gainin' on you
So you better look alive
He's busy revvin' up
A powerful Mach 5

And when the odds are against him
And there's dangerous work to do
You bet your life
Speed Racer will see it through

Go Speed Racer
Go Speed Racer
Go Speed Racer, go!

He's off and flyin'
As he guns the car around the track
He's jammin' down the pedal
Like he's never comin' back
Adventure's waitin' just ahead

Go Speed Racer
Go Speed Racer
Go Speed Racer, go!
