

Take All The Time You Need

The Mr. T Experience

If you had wanted to see me today
I assume you could have found a way
But that's not how today went
God only knows what today meant
Take all the time you need
I'm not going anywhere
We're unsafe at any speed
Take all the time you need

If I had the chance to say how I feel I would
Even though it wouldn't make me look good
That's ammunition you lost
While you were trying to exhaust
Each possibility
Until you've exhausted me
The last of a dying breed
Take all the time you need

And I will love you still
But you're hardly even needed now
As a lesson to us all

And I want you back again
But I don't know what I'd do then
Take all the time you need
I haven't prepared my case
I wouldn't know how to plead
So take all the time you need
Take all the time you need
Take all the time you need
And I'll follow your lead
