

Wearing Out

The Mr. T Experience

We used to be so happy
Now it's wearing out
That's why they say I have
To break with the past
Do something new
Sounds so good
I wish I could
Cause now it's wearing out
I always say
We'll find a way
Doesn't matter now
Cause it's wearing out
And I'm wearing out
I wish tht I had another try
Without wearing out
