

# Honeymoon

The Muffs

Anytime, anyplace  
Yeah it's nice to see your face  
And it's true that I still want you  
In the most obnoxious way

Honeymoon  
Honeymoon  
Honeymoon  
Yeah

And I know what I feel  
It'll do I do believe  
And I know that it's your power  
That'll be the end of me

[Repeat Chorus]

Going round and round the bend  
I fear the end of me  
Feeling like a twisted clown  
I guess I'll wait and see

[Repeat Chorus]
