

# I Need You

The Muffs

I need you so bad, yeah  
It's not a lot for me to ask of you to lend a helping hand

I need you right now, yeah  
In every day and every way to love you, yeah, I don't know how

You don't want to take the time for the clearing of my mind  
Yeah, it's just a waste of time

I need you

Something always snaps at me whenever you're near  
Something always snaps at me whenever you're near

Something always snaps at me whenever you're near  
Something always snaps at me whenever you're near

I need you  
I need you  
I need you
