

# Won't Come Out To Play

The Muffs

Hey, everybody listen to me  
Listen to me, listen to me  
Hey, everybody listen to me

And I won't come out to play  
I won't come out to play

Hey, everybody do it to me  
Do it to me, do it to me  
Hey, everybody do it to me

And I won't come out to play  
I won't come out to play

Help me  
I think I'm quite a bit weathered  
Maybe  
I'll finally disappear, it may take forever

I want  
To look a little bit clearer  
But your  
Exaggeration clouds up my mirror

Hey, everybody listen to me  
Listen to me, listen to me  
Hey, everybody listen to me

And I won't come out to play  
I won't come out to play  
I won't come out to play  
I won't come out to play
