

## Dreaming Of Someone

The Muppets

Dreaming of someone,  
As gentle as the dew.  
Graceful as a someone can be.  
Dreaming of someone,  
And feeling very blue,  
Because I know that someone isn't me.  
And how I wish I could change myself.  
Change to somebody new.  
And how I long to exchange myself.  
How I wish I were you.  
Dreaming of making,  
A garden in my mind,  
Where poems grow like leaves on a tree.  
Dreaming and waking,  
And every time I find,  
That extra special someone isn't me.  
And how I wish I could change myself.  
Change to somebody new.  
And how I long to exchange myself.  
How I wish I were you.
