Baby Piggy:

No matter what life may bring,

no matter what I may do,

be sure of one special thing

I'm gonna always be loving you.

Tempo speeds up, Rowlf plays an awesome piano intro...

Baby Piggy:

I'm gonna be a movie star

And I'm gonna learn to drive a car

Gonna be a vetenarian too

And I'm gonna always love you.

Baby Piggy:

I'll be the cutest model you ever saw

Then I think I'll study criminal law

And I'm gonna scuba dive too.

And I'm gonna always love you.

and help you with your sneezes

And practice neurosurgery on your brain!

But only after all our children are born

'Cause I wanna be a good mommy too!

And I'm gonna always love you!
