

# It's Not Easy Being Green

The Muppets

It's not that easy being green  
Having to spend each day the color of the leaves.  
When I think it could be nicer  
being red or yellow or gold  
or something much more colorful like that.

It's not that easy being green.  
It seems you blend in with so many other ordinary things.  
And people tend to pass you over  
'cause you're not standing out like flashy sparkles in the water  
or stars in the sky.

But green's the color of Spring.  
And green can be cool and friendly-like.  
And green can be big  
like an ocean  
or important like a mountain  
or tall like a tree.

When green is all there is to be  
It could make you wonder why, but why wonder why?  
Wonder, I am green and it'll do fine  
it's beautiful!  
And I think it's what I want to be.
