

It's Not Easy Being Green

The Muppets

It's not that easy being green
Having to spend each day the color of the leaves.
When I think it could be nicer
being red or yellow or gold
or something much more colorful like that.

It's not that easy being green.
It seems you blend in with so many other ordinary things.
And people tend to pass you over
'cause you're not standing out like flashy sparkles in the water
or stars in the sky.

But green's the color of Spring.
And green can be cool and friendly-like.
And green can be big
like an ocean
or important like a mountain
or tall like a tree.

When green is all there is to be
It could make you wonder why, but why wonder why?
Wonder, I am green and it'll do fine
it's beautiful!
And I think it's what I want to be.
