

One More Sleep Til Christmas

The Muppets

There magic in the air this evening
Magic in the air
The world is at her best, you know
When people love and care
The promise of excitement is one the night will keep
After all, there's only one more sleep 'til Christmas

The world has got a smile today
The world has got a glow
There's no such thing as strangers when
A stranger says "hello"
And everyone is family, we're having so much fun
After all, there's only one more sleep 'til Christmas

Tis the season to be jolly and joyous
With a burst of pleasure, we feel it all right
Tis the season when the saints can employ us
To spread the news about peace and to keep love alive

There's something in the wind today
That's good for everyone
Yes, faith is in our hearts today
We're shining like the sun
And everyone can feel it, the feeling's running deep
After all, there's only one more sleep 'til Christmas

After all, there's only one more sleep 'til Christmas day
