

Pukka Pukka Pukka Squeetily Boink

The Muppets

I believe in magic words
I believe in love
I believe in buried treasure falling from above
One more time the world goes round
One more magic day
Now I've learned the magic sound that speeds it on its way
And it goes pukka pukka pukka pukka squeetily boink
Sweet melody
Pukka pukka pukka pukka squeetily boink
Neat harmony
Whoa pukka pukka pukka pukka squeetily boink
That's music to me
Pukka pukka pukka pukka squeetily boink
Pukka pukka squeetily dee
You can learn the magic too
You can learn to sing
You can learn the special words that live in everything
Teach your ear to hear the stones
Listen to the trees
Magic is as magic does
It lives in you and me
And it goes pukka pukka pukka pukka squeetily boink
Sweet melody
Pukka pukka pukka pukka squeetily boink
Neat harmony
Whoa pukka pukka pukka pukka squeetily boink
That's music to me
Pukka pukka pukka pukka squeetily boink
Pukka pukka squeetily dee
Pukka pukka squeetily dee
Pukka pukka pukka pukka squeetily dee
