

## Wemblin' Fool

The Muppets

Well when I'm wembling west  
I take the friend I like best  
So we can wemble wemble wemble side by side  
And when we're wembling south  
We stick our feet in our mouth  
And we just wemble wemble wemble as we ride  
So now it's doodley do doodley doo  
Do doodley doo  
Bop boobley boo  
'Cause a wembling song can't go wrong  
Yes it's a doodley do doodley doo  
Do doodley doo bop boobley boo  
Just wembling on  
We wemble most to the east  
And north we wemble the least  
But still we wemble wemble wemble along  
Come on and wemble and you'll  
Be just a wembling fool  
'Cause that's the wemble womble wembling song  
And it's a doodley doodley doo  
Do doodley doo bop boobley boo  
Because a wembling song can't go wrong  
Yes it's a doodley doodley doo  
Do doodley doo bop boobley boo  
Just wembling on
