

Chemical Attraction

The Murder of My Sweet

Dancing in space
Getting lost in the haze
The taste is a sweet as honey
I'm fading away
Without your embrace
You must feed my hungry heart
The unclean mind mislead the pure
For pleasure seldom has a cure
You're living in my veins
My blood will ease your pain
Together we're in this maze of lust

The innocent falls for sure
This chemical attraction
Leaves you with scars on the face of love
A slave addicted to you
I know my troubles will set
When I'm dancing with this chemical
attraction

A strange déjà vu
My dreams coming true
In a moment we're lost in passion
The taste of your kiss

I can not resist
This struggle to win and loose
You're living in my veins
My blood will ease your pain
Together we're in this maze of lust

The innocent falls for sure
This chemical attraction
Leaves you with scars on the face of love
A slave addicted to you
I know my troubles will set
When I'm dancing with this chemical
attraction

Let your head fall
Become immortal
Seven senses
Bring me some life
I'm going out of my mind, here
Without you

The innocent falls for sure
This chemical attraction
Leaves you with scars on the face of love
A slave addicted to you
I know my troubles will set
When I'm dancing with this chemical
attraction
I know my troubles will set
When I'm dancing with this chemical
attraction
I need you

I need you
I need you
