The Music

Hey Monday morning,
See what you're missing,
I can't live my life like this boy,
I said hey little lady,
see what you're missing,
I can't get enough of your love,

she goes...out all alone and out on her own how many times do,
I have to say this,
your match is a light for me babe,
I said hey little lady,
see what you're missing,
I can't get enough of your love,

she goes...out all alone and out on her own all alone

the people change the way you live now,
the people change the way you live now,

hey Monday morning,
see what you're missing,
I can't live my life like this boy,
I said hey little lady,
see what you're missing,
I can't get enough of your love,

she goes...out all alone and out on her own
all alone
the people change the way you live now,
the people, change the way you live now
