

Take The Long Road And Walk It

The Music

She said she didn't know me
Said I'm sweet

She said she didn't know me
Now I'm not so sweet

And yeh yeh baby baby yeh
Now I'm not so sweet

Yeh yeh maybe baby yeh
Set my baby free

And now I'm looking for ya
What it could be

And now I'm looking for ya
You wanna be with me

Yeh yeh baby baby yeh
Now I'm not so sweet

Yeh yeh maybe baby yeh
Set my baby free

Take the long road and walk it
Take the long road and walk it

Be-bob-bub-bub-be-bop
Be-bob-bub-bub-be-bop
Be-bob-bub-bub-be-bop

Take the long road and walk it
Take the long road and walk it

Be-bob-bub-bub-be-bop
Be-bob-bub-bub-be-bop
Be-bob-bub-bub-be-bop
