The Rain

The Music

Right now I'm crying out for someone I feel it more than ever If there is no-one that can show me How am I to learn from my mistakes?

Cause there's nothing I can't do to stop the violence Well there's nothing I can do to stop this pain Cause I'm nothing without you We're nothing without you

Well there's nothing I can do to stop the rain

Our island's calling out for someone Our words they are marching for us How I am falling like a broken cloud But now the sun has burned into my eyes

Cause there's nothing I can do to stop the violence Well there's nothing I can do to stop this pain Cause I'm nothing without you We're nothing without you

Well there's nothing I can do to stop the rain Cause there's nothing I can do to stop the violence Well there's nothing I can do to stop this pain Cause I'm nothing without you

We're nothing without you Well there's nothing I can do to stop the rain
