I'm so untrue  
I need something more  
For you

Oooo  
Let go  
I love you so

For that everything to me

Oooo  
Let go  
I love you so

Could I be with you?  
And never look back

I dream you satisfy  
And me, got no thing to hide

Oooo  
Let go

Could this be true?  
Could I be with you?  
And never regret  
These things that we do
