Young Blood

The Naked and Famous

We're only young and naive still We require certain skills The mood it changes like the wind Hard to control when it begins

The bittersweet between my teeth Trying to find the in-betweens Fall back in love eventually Yeah yeah yeah yeah

Can't help myself but count the flaws Claw my way out through these walls One temporary escape Feel it start to permeate

We lie beneath the stars at night Our hands gripping each other tight You keep my secrets hope to die Promises, swear them to the sky

The bittersweet between my teeth Trying to find the in-betweens Fall back in love eventually Yeah yeah yeah

As it withers
Brittle it shakes
Can you whisper
As it crumbles and breaks
As you shiver
Count up all your mistakes
Pair of forgivers
Let go before it's too late
Can you whisper

The bittersweet between my teeth Trying to find the in-betweens Fall back in love eventually Yeah yeah yeah yeah The bittersweet between my teeth Trying to find the in-betweens Fall back in love eventually Yeah yeah yeah yeah
