

## Thirsty

The National

As far as I can tell  
I'm nothing like a princess  
But today I find myself  
Curling up behind the house

There's nothing in the air today  
Now I know I'm not so important

Take these girly arms  
And ever keep me  
Take these girly arms  
And ever keep me

I don't have a hawk in my heart  
No dumbass dove in my brain  
I don't have a hawk in my heart  
No dumbass dove in my dumbass brain

Take these girly arms  
And ever keep me  
Take these girly arms  
And ever keep me

I don't have a hawk in my heart  
No I don't have a hawk in my heart  
No I don't have a hawk in...
