

I am the lion hearted Warrior  
I am steadfast  
I am strong  
I am invincible and powerful  
I am courageous  
I am fearless  
I am free

I am brave  
And you can't take that away  
I'll keep fighting every day  
And I will break and make mistakes  
I will break  
I will break  
But I will always be brave

I'm the one who has to live  
With all the choices that I've made  
I am proud and I feel wonderful  
I am majestic  
And fantastic  
I am free

And I am brave  
And you can't take that away  
I'll keep fighting every day  
And I will break and make mistakes  
I will break  
I will break  
But I will always be brave

And I will break and make mistakes  
I will break  
I will break  
But I will always be brave  
Yes I always be brave

I am brave  
And you can't take that away  
I'll keep fighting every day  
And I will break and make mistakes  
I will break  
I will break  
But I will always be brave  
Yes I always be brave
