

You Got Me

The Nearly Deads

You're a secret that I keep tight, close to my chest
To tell the truth, you know you got me at my best
Just so you know, I think about you all the time
Cause you're a see through, and you're all mine

Why can't you just make this easy?
You got me you got me high
Out of sight, but you're on my mind
I got breath, because you're right on time
You got me you got me high

I'm feeling bad, I know it's wrong, but it's the truth
I was feeling bored, but to me it was kind of an escape
Just so you know, I don't think that it's such a crime
If you can keep a secret, then you're all mine

Why can't you just make this easy?
You got me you got me high
Out of sight, but you're on my mind
I got breath, because you're right on time
You got me you got me high
You got me you got me high

You're a secret that I keep tight, close to my chest
To tell the truth, you know you got me at my best
Just so you know, I think about you all the time
Cause you're a see through, and you're all mine

Why can't you just make this easy?
You got me you got me high
Out of sight, but you're on my mind
I got breath, because you're right on time
You got me you got me high
You got me you got me high
